

**INSTRUCTIONS**

A child is counted only once and entered in the appropriate Section

Each child should have their immunization status reflected, as appropriate, in either Section I or II  
Children not meeting Section Requirements should be appropriately entered in either Section III, V or VI

**SECTION I - IMMUNIZATION REQUIREMENTS**

**Column B** - Enter the number of children enrolled in your facility in each age group as shown in Column A. **Do not** count children who only attend **before or after** school. (See example below)

**Columns C through H** - Enter the number of children in each age group (as shown in Rows 1 through 7) who have received the number of doses required. (See example below)

**NOTE: Column G** - MMR not required until 16 months of age.

**Column H** - Varicella (chickenpox) is not required until 19 months of age.

**Column I** - Total of Column I equal the **smallest number** entered in Columns C through H. (See example below)

**Sections II, III, IV, V & VI - Columns J through Q** - Enter the number of children in each age group (as shown in Rows 1 through 7) that applies to each of the following:

**SECTION II - EXEMPTION REQUIREMENTS**

**Medical Exemption (Column J)**

A signed letter of exemption from the Arkansas Department of Health must be in the child's permanent file.  
A Medical Exemption usually does not exempt a child from all vaccines; therefore, a child must receive or have received all other vaccines for which he/she is not exempt.

**Non-Medical Exemption (Religious) (Column K)**

A signed letter of exemption from the Arkansas Department of Health must be in the child's permanent file.  
A Non-Medical Exemption may not exempt a child from all vaccines; therefore, a child must receive or have received all other vaccines for which he/she is not exempt.

**Non-Medical Exemption (Philosophical) (Column L)**

A signed letter of exemption from the Arkansas Department of Health must be in the child's permanent file.  
A Non-Medical Exemption may not exempt a child from all vaccines; therefore, a child must receive or have received all other vaccines for which he/she is not exempt.

**NOTE: Column M** - Total equals the total of Columns J + K + L.

**SECTION III - PROCESS REQUIREMENTS**

**In Process (Column N)**

a) Child has received at least 1 dose of the required immunizations and is waiting the minimum time interval to receive the additional dose(s) **or**  
b) is in process of receiving an exemption.

**SECTION IV - COMPLIANT (Column O)**

Enter the total number of children meeting either the immunization, exemption or process requirements.

Child is compliant if he/she meets any one of the following criteria:

- is adequately immunized in accordance with Section I (Column D)
- has exemption letter in permanent file Section II (Column J, K or L)
- is in process of receiving needed immunizations or exemption Section III (Column N)

**NOTE:** Column O should equal the total of Columns I + M + N.

**SECTION V - NON-COMPLIANT (Column P)**

**Column P** - Enter the total number of children who do not have an immunization record nor who are counted in either Section I or II.

**SECTION VI - NO RECORD (Column Q)**

Enter the total number of children who do not have an immunization record nor who are counted in either Section I or II.

**To ensure each child's immunization status has been captured, totals of Columns O + P + Q = Column B**
