

BEFORE THE ARKANSAS STATE BOARD OF HEALTH

ARKANSAS DEPARTMENT OF HEALTH

PETITIONER

V.

ALL SEASONS MOBILE HOME PARK

RESPONDENT

**FINDINGS OF FACT, CONCLUSIONS OF LAW  
AND ORDER**

**Findings of Fact**

1. Respondent, All Seasons Mobile Home Park, is a community public water system, within the meaning of the Rules and Regulations Pertaining to Public Water Systems (Regulations), the federal Safe Drinking Water Act (SDWA), and the National Primary Drinking Water Regulations (NPDWR). Respondent is therefore subject to the requirements of these regulations.
2. In accordance with Section V and Section VII of the Rules and Regulations Pertaining to Public Water Systems, Respondent is required to comply with the National Primary Drinking Water Regulations, 40 CFR § 141, et seq.
3. Respondent owns and operates the All Seasons Mobile Home Park located in Garland County, Arkansas.
4. All Seasons Mobile Home Park is supplied by a Ground Water under the direct influence of Surface Water (GWUDI) source.
5. Respondent is and was required to comply with Section XII of the Regulations and 40 CFR § 141.72 requiring entry level Chlorine disinfection levels to be 0.2 mg/l or greater.
