

**ARTICLE X
SCHOLARSHIP**

SECTION I: ArCRA will set aside \$1,500 annually for scholarship/education purposes as long as the treasury operating fund does not fall below \$3,000. These monies would be designated in the following ways.

- A. **CTR Exam Scholarship:** The person applying for a scholarship to sit for the CTR exam must meet the requirements of the exam qualifications, must be an active member of ArCRA for a minimum of one (1) year. ArCRA will only pay for the test fee; not any additional fees incurred (travel, lodging, and food) as a result of taking the exam. The candidate for the exam can only receive this scholarship one (1) time. Applications must be made to the Executive Committee three (3) months prior to taking the exam. Applications can be obtained from the President of ArCRA. The Executive Committee will make the final decision on all scholarship applications. The scholarship can be used in the event that the applicant's employer will not financially support the expense of the exam.

- B. **Other Educational Scholarship:** The person applying for other educational scholarships must be an active member of ArCRA for a minimum of one (1) year. This scholarship is designated for the purpose of furthering Cancer Registry knowledge through meetings or educational materials. ArCRA will not be responsible for the cost incurred (travel, lodging, and food) as a result of attending a meeting except for the following education scholarship: attendance at the ArCRA Annual Fall Educational Meeting to cover registration, hotel, mileage, and per diem for food. Hotel will be covered only if traveling 50+ miles to meeting. Mileage and per diem for food will be paid at the current state travel rates. Up to three (3) full ArCRA Annual Fall Educational Meeting scholarships will be awarded each year. Applications must be made to the Executive Committee for these scholarships at least three (3) months prior to the meeting or prior to educational materials being purchased. Applications can be obtained from the President of ArCRA. The Executive Committee will make a decision on all scholarship applications and may utilize the outside independent assistance of the Arkansas Central Cancer registry Advisory Board as needed. The scholarship can be used in the event that the applicant's employer will not financially support the expense of the educational meeting or educational materials.
