Re: St. Vincent Infirmary (Hospital): Ambulance/Emergency Traffic

---

St. Vincent Infirmary will start a two year construction project starting on March 12, 2007 which will impact arriving & departing ambulances. On this date, the normal entry point at St. Vincent Circle will be closed for ambulance/emergency traffic for the duration of the construction. All ambulance/emergency traffic will be directed North on University and then right onto Markham Street. **All ambulance/emergency traffic will have to use the Markham street entry for the duration of the construction.** If you have any questions or concerns, you can contact Paul Gaskin, Manager of Security at St. Vincent Infirmary at 501-552-3538.
