MEMORANDUM

TO: Training Site Representatives
Certified Arkansas EMT Instructors

FROM: Norajean Miles, Certification Administrator
Section of EMS & Trauma Systems

DATE: June 7, 2007

RE: Basic, Intermediate and Paramedic Site Accreditation Manuals available online.

The Section of EMS and Trauma Systems would like to inform you that the updated Basic, Intermediate and Paramedic Site Accreditation Manuals are now available on the Section's website for your convenience.

This information is available for review at www.healthyarkansas.com/ems.

As always, members of the EMS community can contact the Section by phone during regularly scheduled office hours (8:00 a.m. to 4:30 p.m.) by calling 501-661-2262. If you need to report an emergency on weekends or after regularly scheduled office hours, you may contact the Emergency Communication Center at 501-661-2136.
