Brian Nation called the Trauma Advisory Council to order on January 3, 2006 at 3:10 p.m.

The council members reviewed December 6, 2005 Minutes.

The election of officers could not be done because there was not a quorum present.

Mr. Nation gave each member a copy of the surrounding state's Written Trauma Plan. Oklahoma and Louisiana did not have a written plan available. Missouri, Texas, Tennessee and Mississippi all have written plans, which each member was given to review.

A DRAFT copy of the Arkansas State Trauma Plan was handed out and the committee needs to review and activate the plan. The plan was drafted on October 1, 2002 but was not implemented. Terry Collins recalls the plan and remembers the Hospital Association wanted a funding source for the plan before its approval.

David Taylor suggested setting up a revolving fund for future funding.

The Trauma Advisory Council is to meet the first (1st) Tuesday of each month. The next meeting is scheduled for Tuesday, February 7, 2006 at 3:00 p.m.

Meeting was adjourned at 3:55 p.m.
