

# Continuing Education Seminar for Limited Licensed Radiologic Technologists 2007

Presented by Ray Winters, M.S., RT(R)(CT)  
Director of Radiologic Sciences at Arkansas State University

8:30 - 9:20 **Applied Radiologic Pathology** (1 hr CE)

*This presentation is designed to give a basic working knowledge of pathology as it pertains to diagnostic medial radiograph, as well as demonstrate radiographic manifestations. Pathological conditions commonly encountered by physicians offices are presented and reviewed.*

9:30 - 10:20 **Developing a Workable Technique Chart** (1 hr CE)

*This presentation covers the steps necessary to develop a technique chart that is designed for your office and will provide techniques that not only work, but will provide optimal radiation protection to the patient. New material adds better understanding of the three controlling factors of radiographic imaging.*

10:30 - 11:50 **Radiographic Anatomy and Positioning of the Spine** (2 hr CE)

*This presentation covers radiographic anatomy and positioning of the cervical, thoracic and lumbar spine. It provides concepts, terminology and practical tips to prepare you to produce optimal images and review images for acceptability.*

12:00 - 1:00 **LUNCH on your own**

1:00 - 1:50 **Stress and Dealing with Stress in a Radiologic Setting** (1 hr CE)

*A look at the more common stressors unique to the radiologic setting and some effective methods for technologists to deal with them. Includes individual life-stress inventory.*

2:00 - 2:50 **The Technology Explosion: Impact on Healthcare** (1 hr CE)

*An informative and light-hearted look at the growth of technology in the world of medical practice and the impact on healthcare providers.*

---

## Dates and Places of the Seminar

Jan. 13, Jun 2 Nov. 10	Little Rock, AR	Arkansas Dept. of Health Auditorium	4815 W. Markham
Feb. 2, June 16	Springdale	Jones Center for Families	922 E. Emma Ave.
Feb. 17	Jonesboro, AR	St. Bernards Med Center Auditorium	505 E. Washington Ave
Mar 3	Melbourne, AR	Miller Education Lecture Hall	Ozarka College Campus

**Cost: \$70 payable at the door**  
(Make checks payable to Ray Winters)

Seating for each session is limited and pre-registration is required by calling (870) 972-3329 during the day or (870) 972-1883 evenings.

All courses have been approved by the Medical Ionizing Radiation Licensure Committee for 6 hours of continuing education credit.
