

Continuing Education Seminar for Limited Licensed Radiologic Technologists 2006

Presented by Ray Winters, M.S., RT(R)(CT)
Director of Radiologic Sciences at Arkansas State University

8:30 - 9:20 **Conflict Resolution and Problem Solving for the Office** (1 hr CE)

This presentation looks at various types and sources of conflict in a work setting, methods of conflict resolution, attitudes associated with conflict, organizing for cooperation and some methods for problem solving.

9:30 - 10:20 **What's Wrong with this Picture?** (1 hr CE)

Optimum image production is the goal of every technologist to ensure correct interpretation and diagnosis. The goal of this presentation is examine rejected radiographs and determine the cause of rejection as well as what should have been done to correct the mistake. Processor problems identified on radiographs will also be covered. (This is a presentation that many have requested be repeated. New images have been added.)

10:30 - 11:50 **Radiographic Anatomy and Positioning of the Skull, Facial Bones and Sinuses** (2 hr CE)

This presentation covers radiographic anatomy and positioning of the skull, facial bones and sinuses. It provides concepts, terminology and practical tips to prepare you to produce optimal images and review images for acceptability.

12:00 - 1:00 **LUNCH on your own**

1:00 - 1:50 **Geriatric Consideration in a Radiologic Setting** (1 hr CE)

This presentation is designed to give a basic working knowledge of some common sense, practical approaches of geriatric radiography. It reviews some of the common concerns of older people and some of their unique needs.

2:00 - 2:50 **Practical Radiation Protection** (1 hr CE)

The basics of how radiation effects human and how to protect you self and the patient. Several useful, practical methods of protection will be discussed.

Dates and Places of the Seminar

Jan. 14, Jun 3	Little Rock, AR	Arkansas Dept. of Health Auditorium	4815 W. Markham
Feb.18, Nov.11	Jonesboro, AR	St. Bernards Med Center Auditorium	505 E. Washington Ave
Mar 4	Melbourne, AR	Miller Education Lecture Hall	Ozarka College Campus

Cost: \$60 payable at the door
(Make checks payable to Ray Winters)

Seating for each session is limited and pre-registration is required by calling (870) 972-3329 during the day or (870) 972-1883 evenings.

All courses have been approved by the Medical Ionizing Radiation Licensure Committee for 6 hours of continuing education credit.
