

**LET'S
GET
THE
COVID-19
SHOT**

INFO ABOUT THE **vaccine**

Will the COVID-19 vaccine protect me from getting very sick?

YES

The vaccines work by teaching your immune system how to fight the virus that causes COVID-19.

Can the vaccine give me COVID-19?

NO

None of the vaccines in the U.S. contain the live virus that causes COVID-19, so it cannot make you sick.

Do I need a shot if I already had COVID-19?

YES

You should get vaccinated even if you have already had COVID-19 before.
