Program Update

Chuck Thompson - public comment report on newest US rules were just posted. Rules will not be in place before legislative session starts. There may be other rules passed that may affect newest proposed rule changes. Legislative session starts around January 18, 2023.

Public Comment

Tina Reagan- question about special accommodations. Call made to PSI, who said they offer paper tests, others have said they do not.

Office called and were told they would approve, but PSI will contact applicant directly. This issue seems to be a function of Dept of Health rather than CTAC. CTAC will reach out to Department of Health.

Adjourned at 9:25 a.m. Next meeting - January 23, 2023
