“My Arkansas WIC” app

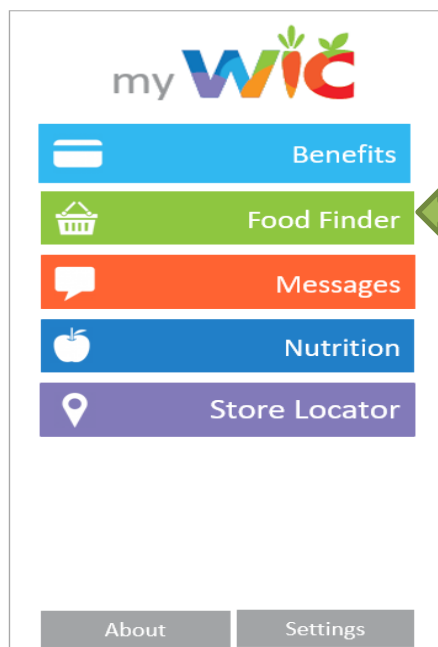

The Arkansas WIC Program is happy to introduce the new “My Arkansas WIC app. This is a FREE smartphone app that is available on the [Apple Store](#) and [Google Play Store](#). The WIC Shopper App is no longer in service. Even though the “My Arkansas WIC” app is designed specifically for WIC participants, the following feature in the app may also be beneficial to WIC vendor staff:

Food Finder

- Scan UPC
- Enter UPC/PLU
- Approved Food List

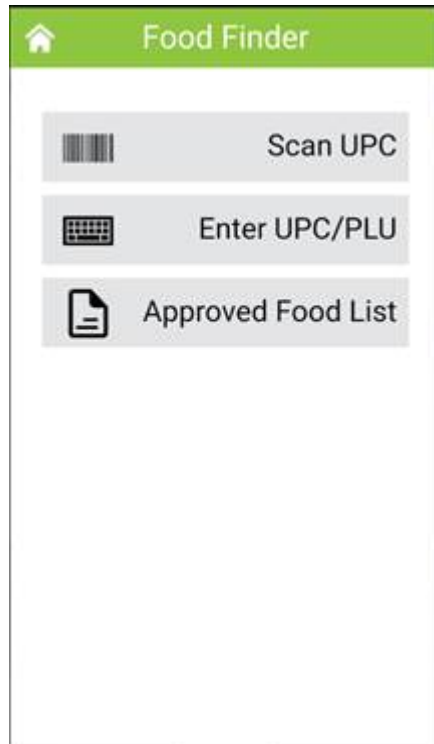

NOTE: The [Enter UPC/PLU](#) feature can be used to confirm whether or not is identified in the APL.

Food Finder Screen

This is the display feature of the Food Finder Feature. We hope you find this feature very useful.
