

eWIC Vendor Team Meeting

March 16th, 2017 at 1:30 pm

Call-in Number: 1-877-336-1831 *Access Code: 8951404*

Agenda

1. Introduction/Welcome/General Overview

2. Timeline

a. Solutran JAD: Complete – News here: We will be able to (hopefully/probably) be able to start doing some Arkansas certifications by September! We will have some time to do some testing on the system prior to that.

b. Pilot – News here: According to Solutran’s timeline that they gave us, they feel confident that they/we will be ready to pilot January 18’! We’re really excited about this.

c. Implementation – Slight change here: Will be a 4 phase rollout as opposed to a “go live” implementation of WIC EBT (eWIC).

3. Vendor Reimbursement – Call or email me (Brian Musick) for more information/questions

4. Website Info - <http://adh-staging.ark.org> They are working on a new website. Feel free to give it a look and let us know what you think.

5. Split Tender (FNS mandated) – Updates/Info/What it means for you: We will be expecting ALL stores’ Cash Register POS systems to be split tender certified before we pilot. The FNS mandate is for this to be completed by October 2017.

6. Technical Calls – Next one Tuesday March 21st at 1:30

7. Questions, Comments, Concerns, Open Floor
